## Academic History

### CU Denver applicants

Please provide the details and upload [unofficial transcripts](#) for any post-secondary (after high school) academic institutions where you earned more than 12 credits.

- Official transcripts are NOT needed at this time, as we accept unofficial transcripts for application review purposes. Only if you are admitted and enroll in your program will you be required to submit official transcripts during your first term of enrollment.
- If you earned fewer than 12 credits at an institution but still wish for us to consider these credits (because you believe they will strengthen your application), you are welcome to list that institution but know that we will require you to submit that official transcript if you are admitted and enrolled.

### CU Anschutz applicants

Please provide the details and upload unofficial transcripts for *all* post-secondary (after high school) academic institutions, regardless of the number of credits earned.

- While unofficial transcripts are sufficient for the application review process, **official** transcripts are required to matriculate into your graduate program, if admitted; the matriculation process occurs **before** the start of the term, so please arrange to have your official transcripts sent when prompted. Please review the [Graduate School – Admissions and Application](#) webpage for more details.

### All applicants

- If you have transfer credits that appear on a degree transcript, we still require the transcript from the institution where you earned the transfer credits.
- If you attended any of the University of Colorado campuses, you still must list this institution below and submit an unofficial transcript; we will pull an official transcript on your behalf during the review process.
- **Do not enter where you went to high school**, as it may delay the processing of your application.
- When Graduate Admissions personnel manually review your application, we will reach out if we require any additional transcripts or information about your academic history.
