Advisor:

The CLD-BE Endorsement must be taken after or concurrent to CLDE Endorsement, which is 24 credit hours. Bilingual Endorsement courses will be taught bilingually in English and Spanish.

Recommendations for endorsements are made by the CLDE Program, but endorsement is granted by the State of Colorado. Individual state requirements vary and may include teaching experience and examinations in addition to a valid teaching credential. Candidates should consult with the [Colorado Department of Education](https://www.cde.state.co.us/cde/pubs/edinfo/endorsement_requirements.html) or another state in which they wish to be endorsed the most updated endorsement requirements.
