Recommendations for endorsements are made by the CLDE Program, but endorsement is granted by the State of Colorado. Individual state requirements vary and may include teaching experience and examinations in addition to a valid teaching credential. Students should consult with the Colorado Department of Education (CDE) (http://www.cde.state.co.us/cdeprof/licensure_authorization_landing) or another state in which they wish to be endorsed for the most updated endorsement requirements.

Per CDE requirements, the Bilingual Education Specialist Endorsement must be obtained after or in conjunction with the Endorsement in Culturally and Linguistically Diverse Education (CLDE). Students can concurrently complete the CLDE MA with both the CLDE and BES endorsements.
