PhD Program Committee Membership Form

During the first year, the doctoral student and his/her faculty advisor will collectively create a three-person program committee (including the advisor). Members of this committee must be members of the doctoral faculty. Attention should be paid to include varying perspectives and expertise in the committee including methodological expertise. Members of this committee will conduct the 1st-3rd year annual reviews as well as serve on the committee for the comprehensive exam.

Student Name _____

Program Committee Members
